WORK EXPERIENCE

Mintyn Bank

WordPress Developer

Nigeria (Hybrid)

03/2026 - present

- Build and maintain WordPress websites across multiple brand properties including Goquays and Docalla, using Elementor, ACF, and JetEngine for dynamic content and custom layouts.
- Implement custom code solutions and API integrations to extend WordPress functionality beyond standard plugin capabilities.
- Carry out speed optimization work including image optimization, caching configuration, plugin audits, and resolving render-blocking issues.
- Manage plugin installation, updates, and troubleshooting across live production environments.

TechLink Innovations Ltd, UK

Graphic/Web Developer

United Kingdom (Remote)

10/2024 - 03/2025

- Maintained and enhanced existing WordPress websites used for marketing, lead generation, and brand visibility.
- Implemented SEO-driven structural improvements, including optimized page hierarchy, metadata, and load performance.

- Collaborated asynchronously with a UK-based remote team to deploy updates safely to live environments.

Coscharis Motors (NYSC)

Part Reception Officer

Nigeria (On-site)

02/2025 - 01/2026

- Managed accurate documentation and inventory tracking for high-volume automotive parts, maintaining organized filing systems and reducing stock discrepancy errors.
- Verified incoming deliveries against invoices and coordinated with internal departments for storage and distribution.
- Developed strong attention to detail, process discipline, and cross-team communication in a fast-paced operations environment.

VOLUNTEER EXPERIENCE

Volunteer Facilitator

WordPress Port Harcourt Community

05/2023 – Present

- Led discussions and facilitated meetups focused on WordPress development, best practices, and community engagement.
- Contributed tutorials and resources to the community website, providing valuable insights and learning materials for WordPress users and developers.

EDUCATION

University of Port Harcourt

Bachelor of Engineering, Electrical/Electronic Engineering

Nigeria

01/2017 – 02/2023
